# Scoped Search

The screenshot displays the AccessPharmacy website interface. At the top, the logo "ACCESS Pharmacy" is visible. Below the logo is a navigation menu with items: Books, Blog, Quick Reference, Drugs, Multimedia, Cases, Study Tools, NAPLEX® Central, and Patient Ed. A search bar is located below the navigation menu, containing the text "Search AccessPharmacy". The search bar is highlighted with a red circle. To the right of the search bar is a magnifying glass icon and the text "About Search". Below the search bar, there is a row of book covers: "NAPLEX Review Guide" by S. Scott Sutton, "PHARMACOTHERAPY A Pathophysiologic Approach" (two editions), "PHARMACOTHERAPY CASEBOOK A Patient-Focused Approach" (two editions), and "Pharmacy Management Essentials for All Practice Settings" (FIFTH EDITION). Below the book covers, there are two buttons: "Browse Books by Topic" and "Get Alerts".

Visit AccessPharmacy at [www.accesspharmacy.com](http://www.accesspharmacy.com) and input a keyword into the search bar.

# Scoped Search & Filters

2. Optional: Select a Source Type by clicking on the drop-down menu, next to your search.

3. Generate Your Search Results by clicking enter.

1. Select Filters at the left side of search result including format type, textbooks and topics.

A screenshot of the 'Modify Search' interface. At the top, there is a search bar with the text 'pharmacists' and a dropdown arrow. Below the search bar, there are two buttons: '+ Add Term' and 'Update'. Below the buttons, there is a section titled 'Filter Results' which is circled in red. Under 'Filter Results', there are two sections: 'FORMAT' and 'SELECT TEXTBOOKS'. The 'FORMAT' section has a list of options with checkboxes and counts: Patient Education (2242), Book Chapter (1193), Tables (433), Images (115), Case (58), Quick Reference Resources (13), Textbooks (8), and Drugs (1). The 'SELECT TEXTBOOKS' section has a dropdown menu with the text 'Select Textbooks' and a dropdown arrow. Below the 'SELECT TEXTBOOKS' section, there is a section titled 'TOPICS' with a dropdown menu with the text 'Topics' and a dropdown arrow.

# Others features

**Key Concepts**

Listen  Speech-enabled by ReadSpeaker

- 1 Rational pharmacotherapy can be promoted by ensuring that drug information is correctly interpreted and appropriately applied.
- 2 The absence of sufficient background information and pertinent patient data can greatly impair the process of information synthesis and the ability to formulate effective responses.

1. User can use speech-enabled by ReadSpeaker. This features can help user because people have different learning styles. Such as auditory learners, visual learners, and some are kinesthetic learners.

# Other Features

User can download chapter in PDF form, share, get citation and also search book.

User can click to Next Chapter or Previous Chapter on upper-right hand corner.
