TRAINING GUIDE FOR STUDENTS
TURNITIN

TURNITIN SOFTWARE

Turnitin is a text similarity detection tool. When students submit their work through Turnitin, the text is compared to content in three databases:
- Student papers
- Web content
- Journals and publications

This generates a report showing all text matches, so you can determine if plagiarism has occurred or not.

CREATE USER PROFILE

1 Go to homepage (www.turnitin.com)

2 On the upper right corner of the homepage click create Account

Search   Create Account | Login

ucts ⌄   Solutions ⌄   Resources   Support   Contact Sales
